186 Dogs Entered in RC Show; Carolyn Spillane's Pet Wins

It took Pal, a 4½ month old German Shepherd pup owned by Carolyn Spillane, 13, of 54 Hillview Ave., to win the 35 mm. camera and best of the pure breds among 85 other dogs at the Redwood City dog show Saturday.

The best of the mixed breeds went to Nicky, a small black and white pup owned by Beverly Capurio, 10, of 1416 Jefferson Ave.

The show drew an entry of 186 dogs which appeared in parade featuring National Dog Week. Best display went to Irvy Bork, 225 Iris St., with his red, white and blue float trimmed with silver.

One of the highlights of the show was the exhibition of Collies by the King Parades Collie Kennels owned by Mr. and Mrs. Charles H. Stowers of 861 Hurlingame Ave. They paraded their famous Ch. California King Parade with his sons, daughters and grand daughters, seven in all, and drew plaudits from the crowd.

The obedience trials were judged by Miss Marvis Mueller of San Francisco, and found her entries closely competitive.

Mrs. Eleanor Poole of Emerald Lake made awards for pure breds. First prize in solid color Cocker Spaniel males went to Irvy Mischief Maker owned by Irvy Bork of 225 Iris St.

First in parti color males went to Ricky, owned by Judy Bailey, 7, of 67 Pine Ave., San Carlos, who also won the special for the best Cocker in the show. County Polio Peak Passed, Trend Is Down

Dr. Harold Chope, San Mateo County health director, announced Tuesday that this year's outbreak of infantile paralysis in the county has passed its peak and is tapering off.

A total of 14 cases developed during September, four less than during August, the high month of the year.

Two cases were diagnosed Monday, one of a 25-year-old Burlingame woman, and of a 5-year-old San Mateo boy. Three other cases, reported Tuesday to his office, were diagnosed as polio last week.

The Menlo Park area, including East Palo Alto, led in the number of cases with 12, but most of them occurred during July and early August. Second is San Mateo with 9, followed by Redwood City 7; South San Francisco, 6; San Carlos, Burlingame, Millbrae and Daly City, 2 each, and San Bruno 1.

All but eight of the 43 persons who contracted the disease were under 20 years of age, with the greatest number falling in the 1 to 4-year-old class.

Burglars Raid Millbrae Store

Burglars during the weekend broke into the Volonti & Vowles Drug Store, 818 El Camino Real, North Millbrae, and stole several hundred dollars worth of narcotics, the sheriff's office reported Monday.

The burglary was the second within three months.

Dep. Sheriff Paul Jensen said that the thieves broke a window of a toilet at the rear of the building and climbed into the drug store. They apparently went directly to a locked drawer containing morphine and cocaine. They also took $70 cash which was in the same drawer. Nothing else in the building was touched.

On July 14 burglars took a quantity of narcotics and $50 in cash. Entrance at that time was made by breaking the lock of a door which since that time has been barred.

Peninsulan Confesses RC Burglaries

Troy W. Lockhart, 29-year-old Burlingame man who admitted a series of party burglaries on the Peninsula Monday afternoon pleaded guilty to two counts of burglary before Superior Judge Edmund Scott and asked for probation.

Lockhart, alias Walter Heck, will be sentenced Oct. 11.

He pleaded guilty to the burglary of the home of David Holder, 919 Blandford Ave., on Aug. 29, and the home of Charles Halling, 513 Upton St., on Aug. 23.

Lockhart was captured on Aug. 29 after he entered the Holder home and struck Mrs. Holder on the head when she unexpectedly entered the bedroom.

He has confessed to nine party time burglaries. Four of the burglaries were in Redwood City, three in San Calos and two in Burlingame.

His scheme was to choose a house where friends were visiting, enter another part of the house and take purses.

In the only other criminal case to go into superior court late Monday, Charles Bublak, Sharp Park butcher, pleaded not guilty before Judge Ralph McGee of Amador County to a charge of contributing to the delinquency of a minor. The case was continued until next Monday to set for trial.

Bublak is accused of showing an indecent picture to a 15-year-old girl.

State Probes County Gambling

That a slot machine investigation has been conducted quietly in San Mateo County was acknowledged Monday by Adm. William H. Standley, state crime commission chairman.

Admiral Standley explained that San Mateo was one of eight counties where probes have been going on. He added, "We have reports from about every county in the state that a network of influences, making these representations of connections with the attorney general's office, was seeking to undermine law and order in California."

In a letter to Atty. Gen. Howser, Warren Olney III, chief counsel for the commission, told of the investigation which disclosed attempts to organize the slot machine and punchboard protection rackets in this state.

Olney stated that the commission planned to put its findings in the hands of the attorney general on Friday in Los Angeles.

RC Police Seeking Cafe Burglars

Redwood City police Tuesday were searching for a burglar or burglars who entered the Kit Kat Kafe, 2065 Broadway, sometime between Sunday and yesterday morning.

Taken were an electric toaster, an electric clock, a baked ham, a raw ham, a bottle of soda and three blankets.

Entry was gained by forcing a screen in a rear door.

RC Reports Gas Supplies Running Low

The gasoline shortage has hit home with most Redwood City service stations running out of gasoline or "cutting corners" so they won't run out completely.

Meantime, Superior Judge Aylett R. Cotton Tuesday had overruled a demurrer by Oil Workers International Union CIO and granted a preliminary injunction to Standard Oil Co. and Richfield Oil Corp. continuing in effect the curbs imposed two weeks ago by a restraining order.

The order restrains pickets from interfering with movements of trucks in and out of the two bulk plants at the Port of Redwood City and limits the number of pickets at each plant to four.

Judge Cotton took action Monday afternoon after the union's attorney, Robert L. Condon of Oakland, claimed that picketing at the two bulk depots in Redwood City had been peaceful and the oil company attorneys maintained that threats of violence had been used.

The oil company attorneys, F. E. Hoffmann, acting for Standard Oil Co., and Robert E. Burns, representing Richfield, alleged the movements of trucks in and out of the depots had been impeded by pickets.

The attorneys offered into evidence affidavits signed by oil company officials to the effect that pickets had blocked the entrances to both depots and in one case two of the pickets had knelt in front of a truck which was attemping to leave the depot.

An affidavit from Redwood City Police Chief C. L. Collins stated that he ordered pickets from the property of Standard Oil after they blocked the egress of trucks and again from a public road where the picket line reformed.

Upon denying the demurrer of the union Judge Cotton gave 30 days to answer and remarked:

"I think that threatened violence has been shown. I don't know what constitutes threatened violence if that doesn't, but they certainly have gone beyond peaceful picketing.

"I hope these men get all the money they can get, but we must have peace in this community."

A spot check by the Tribune Monday showed that many service stations are shortening their work day to three to four hours so they won't run out of gas before the next delivery. Some stations get a day to day delivery, but others will not get another delivery until Friday. Some of the stations expect to run out of gas before the next delivery. One operator reported his station ran out Monday.

Jail Perennial Lists James McGrath Kin

George Green, 76-year-old habitue of the county lockup, not only uses the jail as his semi-permanent residence but apparently is adopting officials who run it into his family.

When picked up by Redwood City police Monday for drunkenness Green gave as his nearest relative James McGrath, the sheriff of San Mateo County.

Nurse Hurt In Auto, Truck Crash

Harriett S. Bradner, 24, 219 Rutherford St., a nurse at Palo Alto Hospital, was back in the hospital Wednesday suffering from a possible head injury, a deeply lacerated right leg.

She was the victim of a collision between a car she was driving and a cement truck Tuesday at 3:48 p.m. on Jefferson Ave. and Ruby St.

Redwood City police reports showed that she was traveling south on Ruby and the truck west on Jefferson.

The truck belongs to the Redwood Materials Co., 25 Maple St., and was driven by Thomas J. Elkins, 29, Montara.

Elkins told police he believed the nurse's car would slow at the crossing and that consequently he had proceeded.

When the car didn't stop, he continued, he slammed on his brakes and swerved the heavy cement mixer. The truck, however, struck the car and then rolled over on top of the passenger vehicle.

The car was declared a total wreck by officers.

In another Redwood City accident yesterday Theodore Meetz, 25, 2115 Jefferson Ave., suffered a fractured right knee when a motorcycle he was driving was involved in a collision with a car driven by Arthur Morton, 42, 1020 Florence Ln., Menlo Park.

The accident occurred at 7:51 p.m. on Main St., 20 feet north of Cedar St. Police reports showed that the car overtook the cycle.

Two South San Francisco girls were injured in a two-car collision Saturday night at El Camino Real and Orange Ave. in South San Francicco.

They were Miss Fay Conner, 18, and Darlene Gray, 13, who were treated at South San Francisco Hospital for minor injuries.

They were passengers in a car driven by Eugene R. Lovi, South San Francisco, which was involved in a collision with an automobile driven by Jack W. Lee, also of South San Francisco.

Five persons were injured, one seriously, in Burlingame accidents.

Mrs. Charlotte M. Thonstad, 50, is in Mills Memorial Hospital with a severe shoulder injury.

Others hurt included Luthert Thonstad, 53, her husband; Robert Nicol, 48, of Richmond; Charles J. Lane, 21, San Francisco, and Peter Griffin, 50, of Burlingame.

The Thonstads, Nicol and Lane were injured when Thonstad's car and one driven by Lane collided at El Camino Real and Broadway. Griffin was a passenger in a car driven by James J. Keane, Burlingame, which was involved in a rear-end collision. The other drivers were Mrs. Hazel E. Taylor, Colusa and Jose A. Haro of San Andreas.

Woman Sets Fire To Jail Mattress

A woman prisoner, lodged in the county jail on Tuesday on a drunkeness charge, during the night set fire to a mattress in the women's detention quarters.

The fire filled the cell with smoke, but was extinguished by Dep. Sheriff Leo Bunner before any damage was done.

The mattress was ignited by Mrs. Terry Louise Hoffpower, 22, of South San Francisco, according to Chief Dep. Sheriff Walter Moore. She was booked at 1 a.m., and the fire started 50 minutes later.

43 RC War Dead Now Listed, VFW Urges Check on Names

Redwood City's roll of war dead now numbers 43, according to a list being compiled by Cpl. James Lindsay Wilson Post, Veterans of Foreign Wars.

Post Comdr. P. C. Kirk explained that the post is compiling the list of the Redwood City men who died in the armed services in World War II, and will inscribe their names on a bronz plaque to be placed at the base of the flagpole in the civic center.

He warned that any errors or omissions in the list will be permanent, and he appealed for public assistance in completing and correcting it. Of the 43 known Redwood City dead, he pointed out, the rank of 16 is unknown to the VFW.

Kirk asked that the informa- deadline for corrections in the proposed memorial.

He explained further that to qualify for a place on the memorial, the service man must have lived within the city limits of Redwood City at the time he entered the armed forces. Two names previously included in the list were removed when it was disclosed that they had been bona fide residents of Seattle, where they enlisted, and that their only Redwood City connection was the fact that their parents subsequently moved here.

Kirk said he considers the following to be the official list of Redwood City's World War II dead, unless it is changed prior to Oct. 5. The rank is given when known:

Operator Fined In Gambling Case

Operating slot machines at his establishment, the Patroni House in Princeton, has cost Frank Ranger $150 over a 15-month period.

Ranger, 52, was arrested last Thursday after deputy sheriffs confiscated three slot machines from the dining room of the Coastside restaurant.

He pleaded guilty Monday before Justice of the Peace Manuel J. Bettencourt to possession of slot machines and was fined $300. However, the judge suspended $200 of the fine, stating that it would be assessed against Ranger if the machines were installed within the next six months. Ranger also was placed on six months' probation.

In July 1947 two other machines were confiscated from Ranger's cafe, and Ranger subsequently was fined $150 by Judge Bettencourt. At that time the judge suspended all but $50 of the fine.

Six other operators of Coastside cafes are still due to appear in court as a result of raids made last Wednesday night by four deputy sheriffs. The restaurant men are charged with operating punchboards and each was arrested and released on $100 bail after 17 punchboards were seized by the officers.

Driver Socks Cop, Lands in Hospital

John Orecchia, 22, 891 Oregon Ave., Palo Alto, came off second best in an altercation with a Redwood City policeman Sunday at 5:57 p.m. As a result he landed in Palo Alto Hospital facing charges of assault and battery and resisting an officer.

It all started when Officer Herman Estes spotted the Orecchia car, containing John and his wife, Gloria, 20, cutting in and out of traffic in the 2800 block of El Camino Real.

Estes gave chase. As he drew alongside, he said he spotted the husband hitting the wife. He stopped them but when he mentioned this blow, Mrs. Orecchia climbed out of the car and started working over the officer. Meanwhile, Estes reported, the husband started beating up on him.

At this point Estes drew his billy club and settled the score.

Both the husband and the wife were charged.

MILLIONTH

Postwar telephone added

How we've put in telephones almost three times as fast as ever before in the West

1. Here is Ashley Stone of Sacramento, California, whose daddy and mother got the millionth telephone we've added since V-J Day. To make this gain, we've actually had to install three million telephones . . . for many of our customers have moved their homes and businesses. Telephones we serve are now at an all-time high . . . over 3,630,000.

2. We've literally built a city spread over the West . . . hundreds of new buildings and major additions. New wire has been strung . . . new cables laid . . . an astounding total of three million miles. And we're rushing still more construction — half a million dollars worth, every day — to meet the public demand for service.

3. An amazing amount of new equipment of all kinds has gone to work. We've filled three times as many orders as were waiting on V-J Day. To add these million telephones, we had to get $400,000,000 of new money from investors. Orders still pour in, and our job is not yet done. But we're working at it mighty hard.

4. Millions of new working dollars . . . needed to extend and improve service . . . must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

Work Begins Tomorrow on Annual Christmas Seal Sale in SM County

Volunteers, staff and committee members will start to prepare for the 1948 Christmas Seal sale tomorrow in earnest. This is to be the biggest campaign ever undertaken by the tuberculosis association, it was announced today by the general chairman, Bradford M. Melvin. Twelve million Christmas Seals have arrived at the agency headquarters for the annual sale.

All of the activities of the association, including the free chest X-ray program for school students, adults and industrial groups, aid to veterans, hospital aids, educational work and scores of other services are exclusively financed by the annual sale of the Tuberculosis Christmas Seal. The agency does not participate in the Community Chest and makes no other calls for funds.

Directors of the association said the quota for the 1948 seal sale has not yet been set but that it will be made as low as possible under current inflationary conditions. They expressed belief that the quota should be kept to a minimum commensurate with the actual needs of the educational, case-finding and preventive programs.

Figures are now being tabulated and it is hoped to announce the quota within the next 10 days.

Meanwhile, the committee appointments made today will inaugurate the seal sale drive. Volunteer workers will be sought to work with the well trained senior volunteer staff and professional workers, so as to keep the cost of administration at the lowest possible cost. It is important also that every home in San Mateo County receive the seals as well as the campaign letter so education and participation join in the job to "wipe out active, catching tuberculosis in this county." This means a larger staff of volunteer workers than has ever served in this area. We know that the workers will respond.

Six-Car Collision on Bayshore Sends 2 Persons to Hospital

Two rear end collisions involving six cars last Sunday tied up northbound traffic on Bayshore Hwy. for more than an hour and sent two persons to Community Hospital for treatment of minor injuries.

The accidents occurred south of San Mateo as cars leaving the county fiesta helped slow traffic east of Hillsdale.

James M. Mabry, 25, and Margaret Balistreri, 32, both of San Francisco, were treated for bruises as a result of the first accident which occurred at 8:35 p.m. eight-tenths of a mile south of East Hillsdale Ave.

The accident involved cars driven by Wilda F. Mabry, 24, San Francisco nurse, Salvatore E. Balistreri, 50, San Francisco teamster, and Samuel Edgar, 28, a Turlock market employe.

Traffic backed up for more than a mile and 10 minutes later another three-car collision occurred a half mile north of Ralston Ave. The cars were driven by Stanley M. Anderson, 29, a Mountain View pilot, Rose Marie Trouillet, 39, of San Francisco, and Frank A. Lyons, 29, Daly City salesman. No one was injured in the second accident.

San Mateo County during the weekend meanwhile was the scene of about 10 other accidents, only two of which resulted in injuries. Four drunk drivers, however, were arrested by the California Highway Patrol, two of them after their cars were involved in collisions.

Howard T. Thurber, 35, San Francisco railroad clerk, suffered facial lacerations and a shoulder injury Saturday night. He was released from Community Hospital yesterday.

The CHP reported that Thurber was hurt when the sedan he was driving failed to make a right curve on Skyline Blvd. north of the Crystal Springs Dam and rolled completely over.

Elvira Munson, 60, a passenger in a car driven by John Munson, 58, San Francisco contractor, was slightly injured earlier Saturday in a collision on Bayshore Hwy. south of San Mateo. The other driver was Dr. Emanuel S. Cohen, 29, of 1457 Belmont Ave., San Carlos.

Manuel Oliver, 48, a Mountain View frozen foods salesman, was arrested at 9:50 Sunday night on a charge of drunken driving after his car ran through two safety islands and knocked down the control box of the traffic signal on Bayshore Hwy. at University Ave., East Palo Alto.

Herbert B. Lucas, 41, a San Leandro shipwright, was arrested Saturday evening for drunken driving after his car ran into the rear of a sedan driven by David L. Walker, 22, a San Francisco janitor, which was making a left turn from Bayshore Hwy. into Geneva Ave. near the north county line.

The other two men charged with drunken driving are William F. Haworth, 45, of Oakland, arrested on Skyline Blvd. west of Burlingame late Sunday afternoon, and Stanley F. Doughty, 21, of San Bruno, arrested on Bayshore Freeway near Burlingame early Sunday morning.
